Wine Tasting & Antipasti Reception  
Followed by Dinner

Our guests of honor are Marco Donati and his daughter, the 5<sup>th</sup> and 6<sup>th</sup> generations of his family to run the winery in the heart of Trentino's wine growing region. He divides the work of the operation with his wife, who manages the vineyards while he handles the winemaking, and his daughter who is learning all aspects. Their estate consists of about 20 small parcels over an extended area; in each, Marco selects the vines that will respond best to the soil, climate and orientation of the land to produce a broad range of indigenous and international varietals.

Special Thanks to *ChicaGourmets!* Member Beverly Malen of Imports, Inc./Chicago ([www.imports-inc.com](http://www.imports-inc.com)) for bringing winemaker Marco Donati and his daughter and their exceptional wines to this event.
