12:45 P.M. Luncheon in Skylit Dining Room

A family tradition since 1940s, the restaurant business spans two generations for owner and manager Louie Gatziolis. His latest restaurant, The Stonewood Ale House, has a distinct appeal in the inviting open décor of pine and natural light, American style menu, and extensive list of more than 60 draft and bottled beers. Louie notes: "Stonewood Ale House is a casual destination, designed with American favorites of classic comfort meals, all made really well and most all made from scratch. We are family owned and managed, and to us, that makes all the difference. We stand by our quality in what we do and how we do it. My motto with customers is "if you don't like it, we will make it right." You can expect a quality experience all around, from our lunch and dinner menus to our drinks and service."
