6:00 Welcome Reception

6:45 Dinner

Nyotaimori is of Japanese origin, in which one dines on sushi placed strategically on a minimally clad model. This type of art is well accepted in Japan, however, Kizoku is the first establishment in the US currently serving sushi this way. The rough translation is: nyo woman, tai = body, mori = helping, plateful, serving, arrangement, etc.

Kizoku is a fine dining establishment featuring authentic Japanese cuisine and a very comfortable atmosphere. Their menu features a large variety of dishes, including sushi, teriyaki, and tempura, and all their dishes are prepared fresh daily.

DownUnder Imports was founded in 2004 to discover the finest family boutique wines from across the new world wine regions of the southern hemisphere- Argentina, Australia, Chile, New Zealand and South Africa. New World wines from the southern hemisphere is the fastest growing category in the US market.
