### The Davis Street Fishmarket Story

In 1985, Steve Prescott had the vision of serving the freshest seafood available, properly prepared and priced fairly. Davis Street Fishmarket was born. In 1998 his vision took on a new and exciting chapter by local owners Larry Huber, Mathew David and Scot McKay. This trio of seafood lovers continues to fly fresh seafood in every day from all three coasts so the chef can prepare some of the most creative seafood dishes in the area. Now they head into the third decade of bringing their customers the highest quality fresh seafood in the Chicago area.
