Since its establishment, the praise and accolades for Burhop's quality, freshness and service have never ceased. Both Chicago Magazine and NorthShore Magazine have traditionally ranked Burhop's Seafood in Wilmette as the top place for fish in the Chicagoland area. Chicago Magazine, in its August 2000 issue, selected Burhop's as the "Best in Chicago" for retail fish and seafood, and NorthShore Magazine, in its July, 2004 issue, selected Burhop's as the "Best of the North Shore" for retail fish and seafood. Local television news programs often feature Burhop's as the top choice for fresh fish in Chicago, and the Chicago Tribune, Chicago Sun-Times and Pioneer Press regularly highlight Burhop's weekly offerings. They have been recently featured in *Wilmette Life* and on Comcast.

Burhop's Wilmette is celebrating its 35th year of providing its customers with the freshest fish available. They are committed to maintaining this tradition and providing the best service to all of their customers now and in the future.
