Smoque (smōk) BBQ is a neighborhood kind of place that cooks up BBQ good enough to make it a true destination. Smoque was created by five regular guys who happen to be passionate about food in general and BBQ in particular.

We believe barbecue is at its best when all of its powerful flavors combine and harmonize. The natural flavors of the meat; the savory flavor of hardwood smoke; the spiciness of the rub; the sweetness or pungency of the sauce--when these elements are in balance, you have found BBQ heaven.

We've worked hard to match the right cut of meat with the right rub, wood smoke, sauce, and cooking technique. Our proprietary sauces and rubs are lovingly crafted from scratch in our own kitchen. The same goes for our sides.
