*"Good food, good wine and good shoes  
makes life better" - Bruno Abate*

Tocco, which is Italian for touch, emphasizes the importance of that 'special touch'. In Italy, we use our hands to express ourselves when we talk, to prepare a delicious meal or to create a beautiful work of art. At Tocco, that special touch translates to the way we create every dish to bring our customers the true flavors of Italy. Tocco is the perfect place for socializing, enjoying a glass wine with friends and indulging in authentic Italian cuisine.

Tocco offers a range of classics, from something as simple as wood-fired pizza, to decadent tortelli with truffles, along with contemporary interpretations that are updated with new ingredients and techniques. The bread, pasta and desserts are made in house and every dish is made to order. We strive to use local, organic products whenever possible alongside the finest imported ingredients from Italy.
